Canadian Police Curling Association
Association Canadien de Curling des Policers

Dear Potential Sponsor/Contributor:

The Canadian Police Curling Association (CPCA) was first formed in 1955 by the Canadian Association of Chiefs of Police. The association was formed for the purpose of encouraging fellowship and liaison among Canadian police officers as well as promoting the game of curling in Canada. That purpose has expanded over the years to include supporting various charities and their fund raising initiatives.

For fifty nine years, the CPCA has held an annual National Championship. Twelve teams of police officers from across the country compete for the top honours. The Championship is held in various locations across Canada. The city of Sudbury, Ontario will take on the host responsibilities in March 2015.

The CPCA is seeking a National Sponsor to assist with our commitment to our charities and to keep our Association strong and vibrant. You can show your support in one of two ways;

- 1.) The Canadian Police Curling Association (CPCA) takes great pride in its history of charitable work in communities across the country. The CPCA's long standing relationship with the community has raised over \$300,000.00 for charities throughout the country.

The Canadian Police Curling Association has joined forces with the Tourette Syndrome Foundation of Canada (TSFC) to help raise awareness and funds to support the thousands of families coast to coast that rely on the TSFC for information and support. As well, to bring awareness between the police and persons with Tourette syndrome that will result in a better understanding of how police can deal with persons with this disorder.

The Foundation receives no operational funding from government, relying solely on individual and corporate donations and its philanthropic partners such as the CPCA.

We invite you to join us in our support for TSFC and the important work they do in communities across Canada by contributing directly to the TSFC on behalf of the CPCA. (a charitable tax receipt may be issued in accordance with Revenue Canada guidelines)

- 2.) The second sponsorship opportunity is to show your support of both the CPCA and TSFC by sponsoring the CPCA directly. The CPCA will then earmark a portion of all funds raised through sponsorship for the TSFC. They will be presented with a cheque on behalf of the CPCA during our Championship.
